_____ o_____night

Time words

Vocabulary Words Worksheet

Match the word to its picture. Write the missing letter.

The worksheet consists of five rows of arrows pointing in different directions, each containing a time word or a question mark. On the right side, there are five words: yesterday, today, today, tonight, and tomorrow. Red lines connect the arrows to the words as follows:

- Row 1: Arrow pointing right with "tomorrow", arrow pointing left with "yesterday", arrow pointing right with "tonight", arrow pointing left with "?", arrow pointing left with "yesterday". Connects "tomorrow" to the second "today" and "tonight" to "tonight".
- Row 2: Arrow pointing right with "?", arrow pointing left with "yesterday", arrow pointing right with "tonight", arrow pointing left with "today", arrow pointing left with "yesterday". Connects "?" to "tomorrow" and "tonight" to "tonight".
- Row 3: Arrow pointing right with "tomorrow", arrow pointing left with "?", arrow pointing right with "tonight", arrow pointing left with "today", arrow pointing left with "?". Connects "tomorrow" to "tomorrow" and "tonight" to "tonight".
- Row 4: Arrow pointing right with "tomorrow", arrow pointing left with "yesterday", arrow pointing right with "?", arrow pointing left with "today", arrow pointing left with "yesterday". Connects "?" to "today" and "tonight" to "tonight".
- Row 5: Arrow pointing right with "tomorrow", arrow pointing left with "yesterday", arrow pointing right with "tonight", arrow pointing left with "?", arrow pointing left with "yesterday". Connects "tomorrow" to "tomorrow" and "tonight" to "tonight".

Words on the right: yesterday, today, today, tonight, tomorrow.
