

Identify long vowels

Grade 2 Phonics Worksheet

Read the story. Underline the long vowel sounds and circle their silent "e".

When an **e** is added to the end of a word, the vowel usually becomes long.

For instance:

cap → cape

Super Jade!

Jade is seven years old. Her birthday is on June 14th.

For her last birthday, Jade got a purple cape! It was a gift from her friend, Jane. Jane has the same cape.

The capes aren't just for playing dress up. The capes give them magical powers... They can fly! They like to wear their capes and race through the air. They chase each other and play tag as they fly. Jade hopes her cape lasts forever.
