

Three-consonant blends

Grade 3 Phonics Worksheet

Sometimes words have three different consonants in a row with no vowels in between.

Three consonant blends tend to be at the beginning of a word: like strap or scrub.

Circle the words with three-consonant blends:

scrape	adventure	sprain	spray	puzzle
lantern	straw	splendid	jungle	screen
robot	scrub	string	volcano	celery

Write 5 sentences with different three-consonant blend words. Circle the three-consonant blend words so they stand out!
