Grade 1 Reading Worksheet

Characters are who the story is about.

First, read or listen to the story and think about the characters.

Max was a seven-year-old boy with brown hair and green eyes. Every Saturday morning, he went outside and looked around to see if anyone needed a hand.

One morning, he saw Mrs. Brown lifting heavy grocery bags from her car. Max hurried over, offering to carry them into her house. Mrs. Brown smiled and thanked him.

Later, Max noticed his friend, Sarah, trying to fix her bike. He wanted to play but stayed to help. After working together, the bike was rolling smoothly again.

“Thanks! You’re such a great friend, Max!” Sarah said.

They then hopped on their bikes and rode around together for the rest of the afternoon.

Then, discuss and write your answers:

1. What characters are in this story?

2. What does Max look like on the outside?

3. How would you describe what Max is like on the inside (his personality)?

4. Why did you describe his personality this way?
