Grade 1 Reading Worksheet

Characters are who the story is about.

First, read or listen to the story and think about the characters.

Spot is a small puppy with brown fur and a small white patch over his eye. He loves exploring his backyard but sometimes feels a little scared of new things. One afternoon, he noticed a big pile of leaves near the trees. Spot walked up to it very slowly. He sniffed it carefully, wondering if he should jump in.

Just then, his sister, Bella, ran over.

“Come on, Spot!” she barked, jumping right into the pile. Spot watched her, and his tail started wagging a little bit as he saw how much fun she was having. Bella tossed a leaf his way, and Spot took a small jump into the pile.

After a few minutes, Spot started wagging his tail and playing along with Bella. He jumped in and out of the pile and threw leaves into the air with his mouth. When they were done playing, Spot lay down next to Bella, feeling proud that he had tried something new!

Then, discuss and write your answers:

1. What characters are in this story?

2. What does Spot look like on the outside?

3. How would you describe what Spot is like on the inside (his personality)?

4. Why did you describe his personality this way?
