

All about setting

Grade 1 Reading Worksheet

The **setting** is where the story takes place.

1. First, read or listen to the story.

Laila loved walking in the woods near her house. One cool afternoon, she went for a walk with her mom. The trees were covered in red, orange and yellow leaves. The air smelled like pine needles. The cool breeze brushed against her face as she walked.

As they wandered down the path, the woods became very quiet. The only sound was the crunch of leaves under her feet.

All of a sudden, a squirrel ran in front of them, holding an acorn. He froze in place and stared at them. It was like he was trying to decide if he could be their friend! Laila grinned at the squirrel, but then it turned and ran up a tree.

Laila and her mom decided to turn back. The breeze was cooler now and the sun was starting to set. Laila hoped the squirrel had somewhere warm to sleep tonight!
