

Text connections

Grade 1 Reading Worksheet

When you make a **connection** to a text, you think about how it reminds you of something in your life.

First, read or listen to the story.

Amy couldn't concentrate today. All she could think about was her loose tooth! She kept pushing her tongue against it and making it wiggle. It was such a weird feeling! It was the first loose tooth she had ever had.

She kept wiggling her tooth until snacktime after school. Then *chomp!* She took a bite of her apple and out came her tooth! She was so glad that it didn't hurt.

"I can't wait to put it under my pillow for the Tooth Fairy tonight!" she told her mom.
