

## Text connections

### Grade 1 Reading Worksheet

When you make a **connection** to a text, you think about how it reminds you of something in your life.

**First, read or listen to the story.**

Today, Kate had a playdate with her friend, Micah. Micah's mom picked them up from school and drove them to Micah's house. First, they sat at the kitchen table and had some milk and cookies for a snack. They were really good!

Then Micah and Kate went up into Micah's room. Micah showed Kate all of his different games, and he let Kate pick one to play! They decided to put on goggles and pretend they were pilots flying around the house. They had a lot of fun, and the time went by really quickly.

Next time, Kate wants to invite Micah to her house!
