

Read and recall: Camping

Grade 2 Passages Worksheet

Read the passage 3 times. Check a box each time you read.

This weekend, we went camping! First, we put our big blue tent, warm sleeping bags and yummy snacks into the car. Next, we drove to the campground and found a nice spot near a lake. Then, we all helped to set up the tent. We spread it out and pushed the stakes into the ground. Lastly, as it got dark, we sat around the campfire. We roasted marshmallows and told fun stories. It was a great camping trip!

Then write a number below each picture to show the correct order.
