

## Read and recall: Money found

### Grade 3 Reading Worksheet

Read the passage 3 times. Check a box each time you read.

Nina was walking home from school when she saw something on the sidewalk. When she looked closer, it was a twenty dollar bill!

“Whoa! I’ve never had that much money,” she thought to herself. She picked it up and put it in her pocket.

When she got home, she showed it to her mom.

“I think I’ll buy a new book with it!” Nina said.

“That’s one idea,” her mom said.

Then Nina thought of something better. Instead of doing something nice for herself, she decided to do something nice for lots of people! With her mom’s help, she brought ice cream to school for all of her classmates the next day.

“Now that’s a good idea!” her mom exclaimed.

Now try to answer the questions below without looking back at the story!
