Reading fiction

Read the fiction paragraph.

Sophie was excited to go to the mall with her family. They were going to shop for new clothes. While her mom was looking at some dresses, Sophie saw a toy store and wandered off. She was so excited to look at the toys that she didn't notice how far she had gone. When she turned around, she couldn't see her mom anymore. Sophie started to feel scared and lost. She looked for someone to help. Someone who worked at the toy store asked if she was lost. Sophie started crying and said yes! The man made an announcement over the mall loudspeaker. In less than 5 minutes, Sophie's mom was there. She gave Sophie a big hug and told her not to wander off again!
