

## Restating the question: Me

Grade 3 Writing Worksheet

Restate the question as you write your answer.

To restate the question, put the question *in* the answer!

For example:
What are you staring at and why?
I am staring at the rainbow
because it's beautiful!

| why?  | could become an animo       | al, what animal wou | ld you choose and |
|-------|-----------------------------|---------------------|-------------------|
|       |                             |                     |                   |
|       |                             |                     |                   |
|       |                             |                     |                   |
| Whati | is your favorite thing to e | at and why?         |                   |
|       |                             |                     |                   |
|       |                             |                     |                   |
|       |                             |                     |                   |

| VVII  | at is your least favorite type of music and why?      |
|-------|---|
|       |   |
|       |   |
|       |   |
|       |   |
|       |   |
|       |   |
| If yo | ou could have any name, what would you name yourself? |
|       |   |
|       |   |
|       |   |
|       |   |
|       |   |
|       |   |
| Wh    | en are you happiest and why?                          |
|       |   |
|       |   |
|       |   |
|       |   |
|       |   |
