

# Restating the question: Movies

## Grade 3 Writing Worksheet

Restate the question as you write your answer.

To restate the question, put the question *in* the answer!

For example:  
What are you staring at and why?  
I am staring at the rainbow  
because it's beautiful!

1. Would you rather watch a funny movie or a scary movie and why?

---

---

2. Do you like animated moves or movies with real people better and why?

---

---

3. If you could watch only one movie for the rest of your life, what would it be and why?

---

---

4. If you could live in a movie, which movie would you choose and why?

---

---

---

5. If you could make a movie about your life, what would it be called?

---

---

---
