

## Restating the question: Imagination

### Grade 3 Writing Worksheet

Restate the question as you write your answer.

To restate the question, put the question *in* the answer!

For example:  
What are you staring at and why?  
I am staring at the rainbow  
because it's beautiful!

1. If you could invent anything, what would you invent and why?

---

---

2. If you were the school principal, what is one new rule you would make and why?

---

---

3. If you had a time machine, would you travel to the future or the past?

---

---

4. If you were stranded on an island, what is one thing you would definitely want to have with you and why?

---

---

---

5. If you could switch places with anyone or anything for a day, who/what would you choose and why?
