Grade 3 Writing Worksheet

Write a topic sentence for each of the paragraphs.

A topic sentence tells the reader the main idea or what your writing is mostly about. It is usually the first sentence in a paragraph.

First, Harry Potter has magical powers. I would love to have magical powers, and I think anyone with magical powers is very interesting. Second, Harry Potter is a good friend. Friends are important to me, and I like that they are important to Harry too. Thirdly, Harry gets to go to Hogwarts. I would love to be able to learn magic in school. In conclusion, if I could switch places with one fictional character, I would choose Harry Potter!
