

# Counterarguments

## Grade 4 Writing Worksheet

Counterarguments are arguments that someone would make if they disagreed with you. When you write an opinion essay, it's important to include a counterargument and explain why you disagree with it. This makes your argument stronger!

Argument	Counterargument
Dogs are better pets than cats because they are more loyal and protective.	Cats are better pets than dogs because they are more independent and easier to take care of.

Fill in the speech bubbles as you write a counterargument for each claim.

It's better to learn a foreign language in school than through a language app.

Comic books are better than regular books because they have more pictures and are easier to read.

Children should be allowed to vote because their opinion is important.

Our lives would become much easier if robots took over the world.

Hiking is the best way to explore nature because it allows you to see things up close and in person.
